Thank you so much for showing an interest in volunteering with the Redruth Parish Youth team. You will find working with the team rewarding and great fun. We are passionate about encouraging children, young people and carers to enjoy their surroundings, to care for the world around them and to come to learn that they are valued for the person they are.

The event with young people will include:

- An evening of fun and games for 50-75 children and young people between the ages of 7-15. It will be held on Friday, 18<sup>th</sup> July, 4-7 pm, and include inflatable games and activities, buffet food, and a silent disco.

We are a Christian organisation that holds true to the teachings of the bible. However, to volunteer with us you do not need to be a Christian. We welcome people of all faith backgrounds and beliefs. That said, we trust that all volunteers respect the Parish of

Redruth's ethos and conduct themselves in a manner befitting of a Christian organisation. See the parish website for more policy information.

The fact that you are offering us your time and energy is a wonderful gift, and we truly appreciate that. If you are unsure about the role, interested in any of the other areas of our work, would like to meet or talk to someone about it before making a commitment or need any further support for yourself, please do get in touch.

We will be providing training for the event for those working with the children/activities to cover safeguarding, which is a mandatory requirement. Please do let us know if that is something you would like to take part in.
